Humanity has taken its place among the stars . . . only to find itself scorned by the alien races and fighting over a startling discovery that threatens the balance of interstellar power forever. Embark on a dangerous journey through a galaxy on the brink of war, and pursue long-forgotten secrets under the shadow of an invasion from beyond known space.

Fusion: Genesis is an explosive mix of space adventure and multiplayer shooter, in a dynamic online world.

Featuring:

- Follow six epic storylines that let you become a free trader, a lawless mercenary, a galactic peacekeeper, a military loyalist, or a devout seeker as you unravel a sinister alien plot
- Explore an "always connected" environment where friends and enemies populate your world dynamically
- Take on hundreds of varied solo and co-op quests
- Discover 23 innovative and action-packed levels
- Fly over 100 ships, from agile scout fighters to huge cruisers, each with its own specialty
- Customize your ship with over 1000 different upgrades
- Choose from over 200 deadly and strategic weapons for your ship
- Learn from more than 40 unique combat skills
- Enjoy both cooperative (1-4 players) and PvP (1-8 players) gameplay
- Fight in epic ship battles in PvP warzones
- Cooperate with other players to defend space stations from Dark Legion raids
- Join other brave heroes to overcome the terrible guardians of the mysterious Ark
- Connect with Fusion: Sentient, a Windows Phone 7 game where you can level up and trade amazing AI units that will help you in Fusion: Genesis

Starfire Studios is an Independent Development Studio set up by 4 ex-Rare industry veterans Chris Tilston, Mark Edmonds, Philip Dunne and Ross Bury. Having been key contributors on games such as Goldeneye, Killer Instinct, Perfect Dark and Kameo they are now focused on bringing something hugely ambitious, innovative and unique to Xbox LIVE Arcade with their first release, Fusion: Genesis.
